Virtual Work Experience with Pearson Business School

Pearson Business School is offering a FREE, virtual work experience event.

Students will have the opportunity to work with companies including IBM, Bloomberg, L'Oreal, Pearson and the BBC to boost their employability, build new skills, meet new contacts and start expanding their professional network.

The programme will be packed with helpful talks, insightful challenges and Q& A sessions, so students can get the best advice from people working in industry today.

Wednesday 7th - Thursday 8th July 12pm-4pm

Budding Medical Students from the University of Manchester have created a website called **scrubbed-up.com**

The website is designed to provide clarity to the medical school application process and to provide tips and advice to prospective students that we wish we knew ourselves, all in one place.

They also aim to provide an insight into what life at medical school is really like.
