Intern Opportunity with Sevenoaks Liberal Democrats

6 internships are being offered across 3 Sevenoaks schools. It would involve 2 hours a week during terms 3 and 4 and a full week in one of the two weeks of the Easter holidays.

This is ideal for a student interested in politics, helping them to understand more about our political system and political parties. It would provide an introduction to electioneering, political campaigns and political organisation as well as an introduction to working in a team and with adults.

Applications can be sent to Richard Streatfeild MBE at:
