Friday Talks coming up—

Friday 29th January—Russell Jordan from University of Kent will be joining us virtually to talk about Student Finance. He will be answering the following— *how much does it cost, how do I pay for it and how do I manage my money?*

Intern Opportunity with Sevenoaks Liberal Democrats

6 internships are being offered across 3 Sevenoaks schools. It would involve 2 hours a week for terms 3 and 4 and then a full week in one of the two weeks of the Easter holidays.

This is ideal for a student interested in politics, helping them to understand more about our political system and political parties. It would provide an introduction to electioneering, political campaigns and political organisation as well as an introduction to working in a team and with adults.

Applications can be sent to Richard Streatfeild MBE.

Budding Medical Students from the University of Manchester have created a website called

scrubbed-up.com

The website is designed to provide clarity to the medical school application process, and provide the tips and advice to prospective students that we wish we knew ourselves, all in one place. We also aim to provide an insight into what life at medical school is really like.

It has been added to the list of useful websites as it offers a number of services that will be invaluable to those looking to apply to Medical Schools.

TUTOR TIME

The subjects that have been covered in tutor time— Year 13— UCAS this is your last week to submit your UCAS applications to school. We then need to go through the application and add references.

Year 12— Work Experience and Co-Curricular societies
