Home School Agreement

At Trinity, we recognise each child as 'being made in the image of God' and therefore uniquely precious, we aim to give all children every opportunity to realise their full potential. We believe that education is a close partnership between parents, the school and the child in order to achieve the best educational outcomes. We therefore ask all parents and children to sign up to our Home School Agreement.

Parents/Guardians, I agree to:

- Support the Christian ethos and vision of Trinity school, including corporate worship
- Take an active interest in all aspects of my child's learning at Trinity
- Encourage my child to do their best in all aspects of school life
- Ensure that my child meets homework/coursework deadlines
- Support school action taken if my child does not comply with any of the school's policies
- Ensure my child abides by the school uniform policy
- Ensure my child attends school regularly and is punctual
- Join the school in celebrating success
- Not book holidays in term time
- Contact the school to discuss any circumstances that may affect my child's behaviour or attainment
- Communicate with the school when I have a concern and not raise issues on social media.

Trinity School aims to:

- Provide a safe caring Christian environment in which all students achieve their full potential
- Provide an education which is based on high expectations through a balanced, stimulating and well taught curriculum
- Achieve high standards of attainment and behaviour supported by mutual respect and good relationships between all members of the school community
- Mark and assess student work to inform them of their progress and help them set targets for the future
- Ensure all students observe all the school's policies
- Keep parents informed about student progress and other school related issues

Education for life in all its fullness

- Inspire and be inspired by our students through meeting their individual needs and providing them with extra / extended learning opportunities and co-curricular activities
- Celebrate the success of all our students.

Students I agree to:

- Support the Christian ethos and vision of Trinity school, including corporate worship
- Act as an ambassador for the school demonstrating Trinity values in all that I do within school and in my local community
- Attend school regularly, on time and in the correct uniform
- Show respect, care, courtesy and consideration to all members of our school community.
- Work hard and meet all course requirements
- Show responsibility for my learning through self-motivation
- Make the most of the opportunities available to me

Other Information:

Attendance:

The school expectation is that all students will have 100% attendance. Parents/Guardians will be contacted if the school believes that a student's attendance affects a student's success at school. We ask all parents/guardians to:

- Ensure that children attend every day, arriving on time
- Notify the school by phone or email (before 9:15 am) if a child is unable to attend
- Contact the school if there are any ongoing attendance concerns

Rewards and Sanctions:

It is crucial that school and parents/guardians work together to ensure the best standards of behaviour at school so that all students are enabled to fulfil their full potential. The school has a Behaviour Policy which clearly articulates the process by which sanctions are issued and the school expects all parents/guardians to support the school in this. We believe however, in a positive approach and have a variety of measures in place to celebrate and reward students.
