

TRINITY SCHOOL
SEVENOAKS

WHAT OUR PARENTS SAY

“I have been absolutely blown away by the care, kindness and support she has received from school. It has made such a huge difference. I had always been led to believe the pastoral support she received at primary would not be sustainable at secondary, you have proved that wrong”

(Year 7 Parent)

“For the first time in his education, he feels he has been noticed for his academic strengths and not just his sporting abilities”

(Year 7 Parent)

“Massive grateful thanks to all the hard working staff at Trinity School, you are truly amazing”

(Year 7 Parent)

“One thing that struck me when we were in the Trinity building was that (my child) seemed to come alive. That is exciting to see. I believe that in an environment where he comes alive, and that really cares about him as an individual - he could go on to great things”

(Prospective Year 6 Parent)

“She literally just came in and was beaming!! She has settled in very well which I am very pleased about”

(New Year 7 Parent)

“All her pre-school nerves (and mine!) have been blown out of the park this week. She has loved it so thank you for helping to settle her in so well”
