Dear Parent/Carer

Re Year 12 Futures Evening – Monday 7th June 6.30pm – 8pm

We are happy that the current easing of restrictions have allowed us to invite you to a Year 12 Futures Evening on Monday 7th June. This begins 6.30pm and ends at 8.00pm.

The evening will consist of 3 talks of roughly 20-30 minutes each allowing time for questions at the end of each session.

After an introduction from Mr Shaw you will be hearing talks from:

- Anna Rogers from Tonbridge School speaking about the Higher Education picture as it is at the moment and what students should be doing now to maximise their knowledge.
- Rebekah Shaxted, Apprenticeship Support & Knowledge for Schools and Colleges programme. Talking about opportunities available from apprenticeship schemes.
- A member of the school liaison team at the University of Kent speaking about UCAS and personal statements.

There will be time for questions and further discussion with the 6th form team at the end of these talks. We would actively encourage your son/daughter to be looking into university open days and will authorise up to two of these visits during school time if requested.

Parking will be available on the school site. Please use the main reception area to access school. Please wear a mask in all communal areas and whilst moving to your seat.

Please reply to sixthform@trinitysevenoaks.com to let us know if you can attend so that we can plan for adequate social distancing. If you have any further questions, please do not hesitate to contact us.

Yours faithfully

Mr R Shaw
Head of Sixth Form
